

SUPPORT YOUR SCHOOL AND JOIN PTO!

We want to welcome everyone back as we look forward to a wonderful school year! This year will be full of so many exciting activities and learning opportunities for your child. PTO would like to help support our teachers and children in every way we can. The support of our parents is vital in reaching the goals we have made for the 2008-2009 school year. Please read our PTO newsletter for more information on the many ways PTO works to help the children and teachers of JES. You may also visit the school website at www.pickenscountyschools.org. You may then click on schools to go to JES and then click on PTO!!!

We would like to see every family join and become involved in the PTO at our school. The cost to join is \$3 per family. You may sign up at open house or simply return the completed form along with your payment to your child's teacher. We look forward to a wonderful year at JES and we look forward to getting to know each and every one of you!

Sincerely,
Tammy West, President

I/we would like to be a room parent. Please check if you would be interested in being a room parent for your child's class. PTO may use you throughout the year to call parents in your child's class for such events as the Fall Festival. Your child's teacher will let you know when he/she needs help organizing parties and contacting parents for help needed within the classroom.

I/we would like to volunteer at special activities such as Fall Festival or other events the PTO holds throughout the year.

ROOM PARENT FORM

Every year the teachers need parents who can help organize parties and contact the parents when help is needed in the classroom. The JES PTO also plans to use Room Parents to call the parents when volunteers are needed for such events as the Fall Festival, Book Fair, etc. Please sign and return this form to your child's teacher if you are willing to be a Room Parent. Some classes may have more than one, which is even better!

The help of our parents is so appreciated and crucial to how successful we are at providing special events and activities in our school! We want JES to stand out from the rest! Together we can make such a difference in the experience each child has this 2008-2009 school year! We look forward to meeting and working with each and every parent and child at JES!
